(Designation) Chairman, Municipal Council, Mangalor

To The Secretary to the Government of Madras,
Through The Collector of South Kanara, REVENUE Department.
and The Director of Public Instruction, MADRAS.
Sir,

In their orders Mis. Nos. 1449 Rev. dated 27th July 1927 and 1533 Rev. dated 6th August 1927, Governmen were pleased to sanction the alienation of two plots of land in favour of the Municipal Council for use as sites for two Elementary Schools - Pentland Petah girls' and Attavar boys' schools. One of the conditions on which the sites were alienated was that the school buildings should be constructed thereon within a year from the date of the grant of the sites. In September 1927 estimates aggregating to Rs. 7,760 and plans for the two buildings were prepared

and submitted to the Director of Public Instruction for his sanction as required by G.O.No.3215 L & M., dated 7-9-1925. In August 1928 the Director returned the estimates for revision in the light of the remarks made by him in his letter R.C.No.2162 B, 27 dated 15-8-1928. The estimates were revised and resubmitted in December 1928 but were again returned in February 1929, for making provision for latrines, wells and compound wall. The estimates as further revised amounted to Rs. 30,140. Owing to the heavy cost involved, Government in G.O.No.2484, L.E., dated 27-11-1929 felt unable to approve the plans and estimates and advised the submission of revised plans and estimates for cheaper and smaller buildings and apply for subsidies in connection with the budget estimate for 1931-32---- The application of the council with revised estimates for a subsidy towards the cost of the construction of the two buildings was dfffered by Government for consideration in connection with the budget for 1931-32 -- Vide Memorandum No.1745 A-1, dated 30th April 1930, Law, Education Department. Government have since in their order No.622 Law, Education dated 16th April 1931 sanctioned a subsidy of Rs.6,600 towards the cost of construction of these two buildings and have directed that the construction of the buildings should be completed before the end of March 1933. Arrangements are being made to take up the work in hand early. Under the circumstances, I request that Government may be pleased to condone the breach of the condition under which the sites ---- were alienated in favour of the council and extend the time limit for the construction of the buildings on the sites till the end of
